

## AMARONE CAMPO DEL TITARI

**PRODUCING COUNTRY:** Italy | Veneto

Majestic and exuberant as a stallion, proud and with the same combination of grace and aggressive power as Luigi Brunelli's horse from which it takes its name, this superb Amarone is a nectar born from its area of origin and from the specific qualities of the Brunellis' production techniques. It is destined especially for the bold: those who are capable of recognizing the strong emotions that inspired it.

**GRAPE VARIETY:**

60% Corvina Veronese, 30% Rondinella, 10% Sangiovese.

**TRAINING SYSTEM:** Trentino-type pergola with, on average, 35 year-old vines.

**TASTING NOTES:** It displays a deep, rich, opaque ruby color. Its intense and exciting bouquet reveals notes of cherries, raspberries and redcurrants, mingling with faint hints of vanilla. On the palate, it unleashes a powerful and robust structure.

**SERVING SUGGESTIONS:**

An excellent wine for enjoying on its own. Ideal accompaniment for grilled or stewed red meats, steak with green peppercorns, game or mature cheeses **ALCOHOL CONTENT:** 14.5% vol. \_x000D\_
